Activated Carbon Filter Refills (pack of 10)

PM2.5 activated carbon filters offer protection that's practical – these disposable filters are flat, so they take up less space than standard respirators. Engineered for maximum filtration efficiency, they can be used continuously for 16-24 hours or around a week of occasional use.

Any quantity @ \$17.00 ea

**Credit cards accepted
(Card fee of 2.5% for orders over \$500)*
